Teodoro D. Cocca is professor for Asset Management at the Johannes Kepler University of Linz in Austria. Previously he worked for Citibank in investment und private banking, was a research fellow at the Stern School of Business in New York and senior researcher at the Swiss Banking Institute in Zurich.

The Swiss-born scientist with Italian roots is lecturer for private banking at the University of Zurich and teaches MBA programs in London, Vienna and Geneva. He is Chairman of the annual Private Banking Summit in Zurich. Furthermore, he is member of the Executive Faculty of the prestigious Swiss Finance Institute and of several scientific advisory boards.

In 2007 he has been elected to the board of directors of FORTUNE Wealth Management AG, an independent asset manager based in Zurich.
