Every Kimpton hotel tells a distinct story. The story of Hotel Palomar Philadelphia is "Art in Motion," and before you even set foot in the magnificent lobby, you'll know precisely why. The hotel itself is one of the city's most striking examples of Art Deco design—a landmark 1929 building that has been restored to its original grandeur, and beyond. The Hotel Palomar Philadelphia is now the city's only LEED Gold Certified eco-friendly hotel.

Here you will enjoy an ideal location in the heart of Center City, within the trendy Rittenhouse Square neighborhood, just steps from all of Philadelphia's finest attractions: Rittenhouse Square Park, Old City Philadelphia, the Mutter Museum, Philadelphia sports attractions and high-end boutique shopping.

The closest airport is the **Philadelphia International Airport**, located 9.2 miles (14.8 km) from the Hotel.

During morning rush hour, travel time is approximately 20-30 minutes to the hotel. The easiest way is to take a taxi from the airport to the Hotel which costs approximately USD 38.
