

GGI PG WEBEX LABOUR LAW
26 SEPTEMBER 2017
16:30 CEST

15 August 2017

Dear Members of GGI

I trust that you all are well.

It is my pleasure to announce another webinar of our Practice Group Labour Law that will be organised on Tuesday 26 September 2017 at 16:30 pm CEST (Central European Summer Time).

During this (approximately) 45 minutes webinar, **Patricia Goodson** (Brooks Pierce law firm) will explain talk about Whistle Blower Protections and Scrutiny of Severance, Confidentiality and other Agreements in the USA. The Security Exchange Commission, Equal Employment Opportunity Commission and Occupational Health and Safety Administration are targeting policies or practices that discourage or prohibit individuals from exercising their rights and communicating directly with government agencies regarding possible violations of the law. We will be discussing whistle blower protections under various laws and how to manage whistle blowers. In addition, we will discuss the scrutiny by government agencies of various agreements such as nondisclosure/confidentiality, severance, employment and settlement agreements.

You are all invited to join. In order to organise this webinar properly, we would be grateful to receive a quick email (by 4 September at the latest) whether you will attend this online meeting. Many thanks in advance.

Should you have any queries, please do not hesitate to get in contact with me.

Kind regards,

Jeffrey Kenens
