

# IT WAS TOO GOOD TO BE TRUE

(To tune of 'Can't Take My Eyes Off of You,' by Bob Crewe & Bob Gaudio and made popular by Frankie Valli)

## Verses

Sounded too good to be true  
He said no tax would be due  
Still I bought into his deal  
Greed has a cunning appeal  
With blinkers over my eyes  
No tax for me was the prize  
About this nothing is new  
It seemed too good to be true

Well for two years it was grand  
Just as that tax lawyer planned  
Who knew that he was a crook?  
Selling me gobbledygook  
Till IRS trolled the facts  
Telling me I owed the tax  
Penalties now I owe too  
It was too good to be true

## Chorus

I should have told him  
That he was full of crap  
I should have told him  
That I'm no shelter sap  
I should have told him  
But I didn't tell him that

Should have known better  
And recognized a kitsch  
Should have known better  
Swung for the sucker's pitch  
Should have known better  
Tax lawyers all get rich

## Verse

It seemed too good to be true  
Taxpayers I'm warning you  
Don't fall right into the trap  
Don't be a tax shelter sap  
Be wary of those who sell  
In your head should ring a bell  
Telling you caution is due  
When it's too good to be true.
