- 11:30 – 12:30 How to get GGI members (Volunteers) Involved – Michael Reiss von Filski
and How to Keep Them Engaged
- It does not matter if your Practice Group is small or large, you all face the situation that you need to distribute the workload / want to engage committed GGI members to actively participate in your PG work. That's where volunteers come into the picture. With some effective planning, good leadership, and great communications, you will be able to create a team of reliable volunteers.*
