## GGI CORPORATE GOVERNANCE & COMPLIANCE SPECIAL INTEREST GROUP WEBINAR

Thursday, 15 October 2020, 16:00 PM CEST (Central European Summer Time) | 10:00 AM EDT  
(Eastern Daylight Time)

Presenters: Anthony J. Soukenik & Dr Peter Wagesreiter

This webinar will feature a presentation by Dr Peter Wagesreiter (from GGI member firm HSP Rechtsanwälte GmbH in Vienna, Austria) and Anthony Soukenik (from GGI member firm Sandberg Phoenix & Von Gontard P.C. in St Louis, MO, USA) summarising the issue of international data transfers between the EU and the US in light of Schrems II.

Following the CJEU's shock decision to strike down the EU-US Privacy Shield, and its comments on the use of Standard Contractual Clauses, we discuss what next steps should be for the international EU-US transfers of personal data until the EU Commission can find a new solution.

We will look at the practical impact of the decision, on transfers of personal data between the EU and the US, for both EU and US companies. We would also like to invite participants to share their views on international data transfers more generally from the point of view of their jurisdictions.
