

GGI YOUNG ITPG WEBINAR

Thursday, 03 September 2020, 16:00 PM CEST (Central European Summer Time)

Chair: Susanne Schorel – Willems (Schipper Groep, Middelburg, The Netherlands)

The main objective of the Young ITPG webinar is to share experiences and best practices regarding international taxation between “younger” members in the International Taxation Practice Group (ITPG), i.e. below the age of 40.

The webinar will combine tax topics but we will also pay some attention to personal development. We will discuss how the mandatory disclosure and ever-growing exchange of information between countries will impact our work for now and in the future. Furthermore, we are sharing best practices how to become or remain visible while working from home as this might be the new ‘normal’. Opportunities can be created while sitting in your own living room!

This webinar is an excellent opportunity to introduce young professionals of your firm to ITPG and GGI. There are still a couple of presentation slots available. If you (or someone from your firm) like to share best practices or present other cross-border tax topics, please contact Susanne directly (sschorel@schipperaccountants.nl).
