

## GGI PRACTICE GROUP WEBINAR INDIRECT TAXES

**Thursday, 25 February 2021, 16:00 pm CET (Central European Time)**

Chairs: **Steve McCrindle & Toon Hasselman**

### G(enerally) S(imple) T(ax) – the return

1. Warm words of welcome
2. Frankenstein 2 – the return of the monster : VAT and Customs issues post-Brexit

The Frankenstein's monster that was – Brexit – has passed and for the inhabitants of the IDT PG village, life was (maybe) expected to return to normality. Alas, this was not meant to be and the monster has returned – post-Brexit – to terrorise the inhabitants of the IDT PG village. Frightened? You should be!

We will look at the issues for non-EU, EU27 and UK businesses post-Brexit.

This will cover VAT issues for UK businesses supplying goods in the EU27, EU27 businesses supplying goods in the 'GB (and XI)' and for all businesses, wherever they are established importing goods into the UK.

Viktoryia Nestserava will also discuss EU-UK International Trade & Customs matters, given the unique EU-UK trade deal, which has delivered zero-tariffs for some businesses, but not for all. You will need to attend to find-out more.

3. And, if we have time, we can ponder attendee subjects.

We will seek to have some mini-case studies and will send these out approximately 1 week in advance of the webinar. Register early in order to receive the documentation on time.
