

GGI PRACTICE GROUP WEBINAR GLOBAL MOBILITY SOLUTIONS (NA REGION)

Monday, 25 January 2021, 10:00 am EST (Eastern Standard Time) | 16:00 pm CET (Central European Time)

Presenters: Asher Frankel & Mohammad Ali Syed

While the COVID-19 pandemic continues to rage throughout the world, and new variant strains emerge, global mobility has been significantly impacted as countries implement policies and procedures to contain the spread of the virus. Although many of these policies may be temporary, they have the potential to have a lasting impact for the foreseeable future on the global mobility of individuals.

Join Global Mobility Solutions PG Regional Chairperson North America, Asher Frankel, (Devry Smith Frank, LLP, Lawyers & Mediators, Toronto, ON, Canada), and Mohammad Ali Syed (Offit Kurman, Attorneys At Law, Bethesda, MD, USA) in this webinar, which will compare and contrast the Canadian and US responses to COVID-19, which impact global mobility into each country, and between the two countries.

Among the topics to be covered are new pre-departure COVID-19 testing requirements, entry restrictions and various exemptions, pre-boarding airline screening, post-entry quarantine requirements, entry of foreign workers, students, and for family reunification. Also included will be an examination of the likely impact of the new US administration on presidential proclamations and bans instituted during the Trump administration.

This webinar is for members of the Practice Group and any GGI members wishing to join the PG.
