

## **Practice Group Summary Auditing, Reporting & Compliance**

**Friday, 19 October 2012**

**Round 1**

**14:00 – 15:30 hrs**

The PG meeting in Rome aims to discuss several general and special matters related to audit work and compliance services in different jurisdictions. Therefore it is planned to hear two presentations, one about rendering compliance services in today's world and another one about auditing in Hong Kong and China. Both presentations aim on building a platform for business synergies and opportunities between members. Furthermore it is planned to present first results of a questionnaire that had the purpose of raising a diagnostic on primary information regarding regulatory issues on audit engagements, audit market and aspects related to structure and skills of the GGI audit member firms.

From an organisational point of view it is planned to hold the elections for the Practice Group Chairperson and the Practice Group Vice-Chairpersons.
