- 
1. The world chairperson, Johan F. Langelaar opened the meeting and welcomed all attendees and thanked them for attending.
  2. The last pg-meeting was at the World conference in Boston, USA in October 2015.
  3. Johan suggested to change the agenda a little to create enough time for the presentation of Magdalena Michalska.
  4. It was decided that the planned presentation of Karl Friedrich Dumoulin about 'Regulation (EC) No 1896/2006 of the European parliament and of the Council of 12 December 2006' would only take place if there would be enough time left.
  5. Johan addressed a few domestic matters. He asked for volunteers to assist him and the regional chairpersons of the practice group. Cornelia organized

a few WebEx-meetings in the past. Johan asked the attendees if new WebEx-meetings should be organized, since he had to cancel the last meetings because of lack of attendees. Johan says he will ask this question again at the World conference meeting in Bangkok this year.

6. Johan asked if all (regional-) chairpersons can send him the signed declaration he sent them per e-mail before the end of May.
7. Johan asked the attendees for items for the next meetings. He also asked to think about the idea that the practice group should have regular members and 'visitors'.
8. Karl Friedrich Dumoulin, who is responsible for the newsletter, gave a short presentation about the present status. He invited everybody to contribute to the newsletter as much as possible. These contributions can vary from very interesting articles, to news about disputes on which members have been working and news about the firms.
9. The next meetings will be at the Italian Business Summit in Verona, Italy, on May 27, 2016 and at the Latin-American conference in Madrid, Spain on June 24, 2016. Also there is a WebEx-meeting planned for June 13, 2016 at 15:00 hrs. CET. Johan invited everybody to attend these meetings.
10. After discussing the domestic matters, everybody shortly introduced themselves and their firm.
11. Johan then gave the floor to Magdalena Michalska, who gave a very interesting presentation about IP litigation and dispute resolution in Poland and on an international level.
12. Johan closed the meeting, after thanking everybody especially the speaker, for their contributions and he invited all attendees for a drink in the bar at 17:00 hrs.
