1. The Global Chairperson, Johan F. Langelaar, welcomed everybody. He informed that his task had been very light this time. Everything for this meeting was organized by Patrizia and Silvia Giannini. His only task was to react on proposals from Patrizia and Silvia.
2. Johan asked all people present to introduce themselves shortly.

After that, Johan introduced the speakers of today, Silvia Giannini, who was going to talk about the organization of the civil justice system in Italy and Arlene Rochlin, who was going to give a presentation on contingency fee agreements.

Both speakers had a very good presentation and a vivid discussion followed on the items presented by both Silvia and Arlene.

3. The time was too short to speak about domestic matters. It was decided that those matters would be discussed at the Cancun World Conference.
4. Johan thanked both speakers and S4B for the organization as well as the attendees for their presence.
5. Johan adjourned the meeting at 17.34 hrs.
