Membership Benefits:

Full access to all online content available on the IBFD Tax Research Platform

- Complete coverage of up-to-the-minute global tax information (third-party databases are not included, but can be purchased at a discount)
- Country-by-country descriptions of tax systems in standardized outlines and in different levels of detail

- Comprehensive description of major topics in international taxation in standardized outlines
- Keep up to date with direct links to Tax News Service developments relevant to a chapter
- Comprehensive collection of primary source information (tax treaties, models, EU law and case law)
- Opinion-making journals covering main topics in international taxation and developments in major economies in the world
- Treaty Article Comparison: Compare entire treaty documents, individual treaty articles or two different language versions side-by-side.
- Treaty Status Monitor: find real time information on the status of a treaty, protocol or related document
- Export data quickly and easily to MS Word and Excel
- Extensive tax research (compare) tools, as well as the option to save unique personalized research profiles
- Frequent updates
- RSS and email notification as soon as new changes are available

Other related benefits:

- 85% discount on the print version of IBFD's Journals
- 50% discount on Global Tax Series (Handbooks)
- 50% discount on the book set A Guide to the European VAT Directives
- 20% discount on all IBFD International Tax Training courses, including online courses
- 20% discount on the hourly rate for information services provided by the IBFD's research staff
