Jim Thompson's House

Visit to Jim Thompson House, the home of James H.W. Thompson, a self-made American entrepreneur who was the founder of the world renowned Jim Thompson Thai Silk Company. Thompson's achievements during his 25 year stay in the Kingdom of Thailand have won him much fame as the "Legendary American of Thailand". Since his disappearance in 1967, little has changed in the home that was the 'talk of the town' and the 'city's most celebrated social center'. Even today, this Thai style house which contains intensive collection of art and antique objects continues to be a key stop for visitors to Bangkok.

Thonburi Klongs

Thonburi is the western part of Bangkok, situated on the right side of the Chao Phya River. Its many canals had originally given Bangkok the name "Venice of the East." Passing by boat along the canals gives you a firsthand impression of the scenic life along Bangkok's waterways. Also visit the Royal Barges and the Temple of Dawn.

Please refer to the online registration for detailed costs.
