

Céline Fillistorf
Co-founder & CEO of DealMarket

Céline originally is from the French part of Switzerland and grew up in Zurich. She graduated from The University of St. Gallen in 1999 with a master degree in Business Administration. She started her career by working for 5 years in management consulting at The Boston Consulting Group and A.T. Kearney. Following 2 years in sales development at UBS she set up her own consulting business Fillistorf Consulting in 2007 working with clients in the financial sector. In March 2010 she had the idea of an internet platform in Private Equity together with Alex Vukajlovic, they created the company DealMarket and she acts as CEO since the beginning. In March 2011 DealMarket went live. Céline has two boys and lives with her family in Zurich, Switzerland.
