

## GENEVA GROUP INTERNATIONAL

**GGI Central & Eastern European Conference  
Eisenberg, Austria  
17 – 20 June 2010**

**WORKSHOP SUMMARY RENEWABLE ENERGIES  
Chaired by Dr. Michael Bihler and Dr. Matthias von Oppen  
Wendler Tremml, Munich**

**Saturday, 19 June 2010, 11:00 – 12:30 hrs**

### **Green Buildings on the rise – Some legal aspects**

#### **I. Green Buildings**

- The concept of Green Buildings
- Seeking uniform standards
- German standards (*Energieeinsparverordnung, EEWärmeG*)
- EU standards (Proposed amendments to Directive 2002/91/EG)
- Need for international standards
- Country reports

#### **II. Zoning Issues**

- Solar thermal energy
- PV
- Geothermal energy
- Special problem: Listed buildings
- Country reports

If you wish to contribute a short presentation (5 – 10 minutes) regarding green buildings or building-specific aspects of renewable energies in your country, you are very welcome to contact directly Dr. Michael Bihler ([mbihler@law-wt.de](mailto:mbihler@law-wt.de)) or Dr. Matthias von Oppen ([mvonoppen@law-wt.de](mailto:mvonoppen@law-wt.de)), latest until 30 April 2010.
