Teodoro D. Cocca is professor for asset and wealth management at the Johannes Kepler University of Linz in Austria. He is also lecturer for private banking at the University of Zurich. Previously he worked for Citibank in investment and private banking, was a research fellow at the Stern School of Business in New York and senior researcher at the Swiss Banking Institute in Zurich.

The Swiss-born scientist with Italian roots teaches MBA programs in St. Gallen, Geneva, Madrid and Vienna. He is chairman of the annual Private Banking Summit in Zurich. Furthermore, he is member of the executive faculty of the prestigious Swiss Finance Institute. He offers consulting services to a variety of financial institutions and manages directly a total of 1.1 billion EUR in several Austrian investment funds.
